

Traditional Edgelighted Exit

Exits

KWL-RED-120

Surface Back Front View

KCL-612 Series

Description

The KCL-612 is a traditional exit sign that offers a design compatible with historic architectural themes.

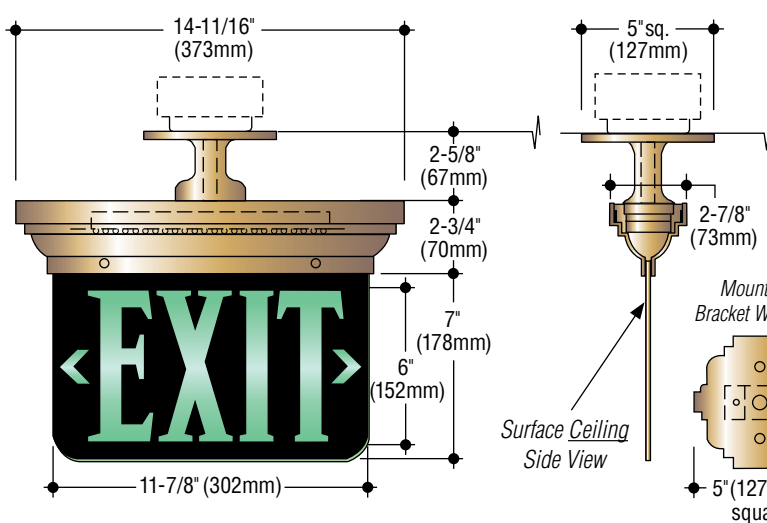

Construction

- Clear acrylic panel with 6" green or red letters and black backing
- Single or doubled faced
- Housing and bracket are cast aluminum with antique bronze vein powder coat.

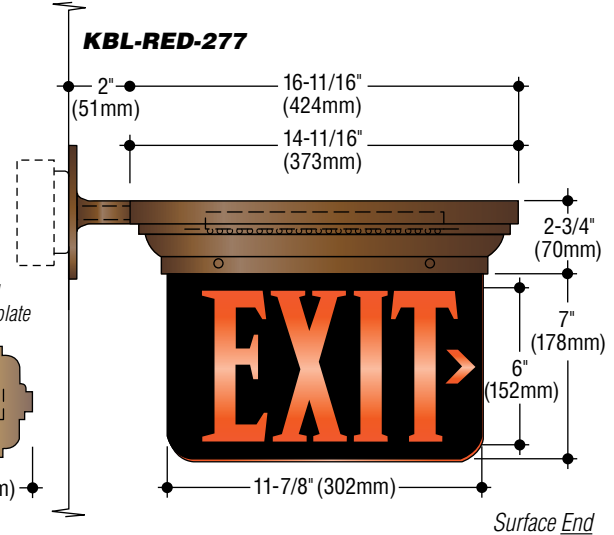

Electrical

- Red or green LEDs are dual-circuit and universal voltage
- When emergency battery operation is specified, all components are contained in housing.

KCL-GRN-120-CC
