Options

Alternate finishes: Metallic aluminum or textured white. Add suffix ☐ **-ALU** or ☐ **-WHT**.

Diffusers: Select one or two diffuser choices. If same diffuser selected for two-diffuser models, state selection twice. (*Example: L2518-2-ST/ST*) Add suffixes as required.

Frosted tempered glass	☐ **-FG**
Ribbed glass spread lens	☐ **-ST**
Prismatic tempered glass	☐ **-C73**
Perforated panel/glass	☐ **-PF**
Opal glass diffuser	☐ **-OPL**

Surface collar: Allows surface ballast and emer- gency ballast/driver location and/or surface conduit capability. Adds 2" (no longer complies with ADA) to overall fixture depth. Add suffix ☐ **-SC**.

H15

Emergency battery: LED and fluorescent models only. Provides 90 minutes operation. Requires recessed housing or surface collar.
Add suffix ☐ **-EM**

LED colors: 4000°K (1133 lm),-HO (1935 lm).
Add suffix ☐ **-4K**.
Amber (FWC compliant 560 nm)
Add suffix ☐ **-AMB**.
Blue. Add suffix ☐ **-BLU**.

Dimming: Universal voltage 0-10V driver.
Add suffix ☐ **-DIM**.

How to Specify

1. Select catalog number.
2. Add suffixes for options required to meet job conditions.
